Customer service is our top priority! We have an experienced, knowledgeable staff that can help you with questions related to farming, gardening, ranching, horses, pets, or whatever else you might ask about.

Fran The Chick Lady

Fran has been a member of the Burns Feed Store work family for going on 19 years now. When she started here back in March of 2004, she instantly became one of our most popular employee's, quickly turning what was just the chick room into "Fran's Feathered Friends!" People seek out Fran's advice about anything and all things poultry and of course about her loved rabbits! Quite often Fran hears her name called out when she is making her way through the grocery store! In past years, she has made a trip or two to local elementary schools to share her love of baby chicks, goslings, and ducklings with the kids! It just makes her day when she receives handfuls of thankyou notes and hand drawn pictures from the kids!

Originally from Philadelphia, Fran came to the Northwest on a three month visit and never left! That was almost forty years ago! She has had a number of jobs through the years, including working at nurseries, youth centers and caring for Alzheimer patients. Nowadays, Fran is commonly referred to as the Chick Lady. She has 30+ years of experience with chicks, ducks, geese and bunnies. Fran takes great pride in the work that she does and it shows! Everyone here at BFS appreciates Fran for the person that she is and the work that she does! ***We are lucky to have her here as a part of our work family!***
